GENERAL PRESENTATION OF TAIBA FOOD COMPANY

TAIBA FOOD COMANY (TFC) is a private Algerian company that was created in 2007 by DELICE FOOD COMPANY (DFC), which started its activity in 2005. TFC operates in the field of agri-food products more precisely in the field of non-alcoholic beverage production. TFC specializes in the production and distribution of non-alcoholic drinks, namely fruit juices, soft drinks and energy drinks under the RAMY brand. The production site is located at the Rouïba industrial zone in Algiers, which proves to be a strategic zone for the supply of raw materials as well as for the distribution of the finished product on the national territory.

The activities of the company:

TFC began its activity by manufacturing and distributing fruit juices. Subsequently, it expanded its activity towards the production of energy and carbonated drinks.

In 2010, there was the launch of TFC's subsidiary for the production of drinks in COMBIBLOC 1L and 2L.

In 2011, TFC launched its product on the Algerian market under the brand RAMY, a juice made from pulp, fruit extract, treated water and no added preservatives and with a composition available in 24 flavors (orange and apricot, orange and peach, pineapple, strawberry, cola, lemon, etc.) in PET bottles with a capacity of 2 L, 1.25 L and 33 CL glass bottles.

In 2012, launch of TFC's subsidiary for the production of BEVERAGE canned drinks and COMBIBLOC 20 cl.

A year later, TFC introduces two new products (Gold) and (Coffee) that are part of energy drinks, and the same year TFC launches a new product filled in cans with a new formula that contains fruit pieces added to the juice that already contains the fruit pulp.

In 2015, there was the launch of TFC's subsidiary for the production of Ramy Milk and RAMY 'UP' Choco.

Missions of TFC:

The main mission of TFC is to offer the Algerian consumer a product of incomparable quality and impeccable service.

Other missions are projected by the company in the medium and long terms which are:

- The development of the business activity.
- Ensuring a steady supply of juice and energy drinks to the market.
- Respond to consumer expectations in order to retain them through optimal product development.

Objectives of TFC:

- Have competitive strengths to sustain and develop its business;
- Create employment, especially for young people;
- Establishment of production conditions strengthening the climate of trust between trading partners and fostering trade;
- Establishment of a quality approach in the food sector that must be coherent, progressive, realistic;
- Development of the activity and its extension;
- Creation of wealth;
- Increase turnover and maintain and increase market share.
